20 Years PCSO anniversary On the 10th February West Mercia Police celebrated 20 years since the first PCSOs joined the organisation. Chief Constable Pippa Mills and Commissioner John Campion personally thanked all those who attended the event at headquarters, which was an opportunity to mark the incredibly significant work PCSOs do to help keep our communities safe.

The Armed Forces Outreach is designed to provide help and support to all military personnel, veterans and their families. Working with the service charities and organisations, the outreach assists and facilitates for the purpose of ensuring that current and former military personnel have access to the right support. They have also formed close links with several businesses, charities and organisations across Shropshire, many of whom have signed the Armed Forces Covenant to demonstrate their support.

Bridgnorth SNT attend these sessions when possible to show our support to veterans.

Visit to Castlefield Primary School Bridgnorth SNT visited Reception aged children at Castlefields primary school to talk about 'People who help in the community'. The children were very interested in what we had to say and came up with some great ideas who can help them when out in the community.

Bridge Youth Club PC LOFTUS and PCSO OAKLEY attended The Bridge Youth Club at the beginning of February to have positive interactions with younger members of our community. PCSO OAKLEY is getting much better at FIFA (keep practising – you need too).
